HOME INSPECTIONS

Buying a home is a big decision. A thorough home inspection will provide your clients with the information they need to make an educated decision about the property they are considering buying.

At Ferreira Home Inspections, we help our clients get to know a property inside and out, in just a matter of hours. Our comprehensive report provides your client with detailed information that is theirs to keep.

We will perform a thorough visual inspection of the exterior, roofing, structure, heating and air conditioning, electrical, plumbing and interior. We will identify the operational quality and recommend when it would be a good time to repair or replace.

We will ensure the home meets building codes and identify where it does not.

We follow Carson Dunlop's strict guidelines and use Carson Dunlop's materials for all inspections.

We offer a pre-listing discount to agents.

We are available 7 days a week and are fully insured.

**For a comprehensive and informative
examination contact us.**
